Some of these ads have been posted and re-posted for many weeks now, and some have actually been repeated and recycled every year in November and December for the holiday season. Please be aware of the many schemes to obtain money and free items this time of year as the holidays approach with this being the peak time for charity giving and donations appeal.

There are many local, state and federal programs here in CT that provide assistance to those in genuine need who qualify for aid, and posters are well aware of all of them. On the other hand, there are many legitimate, honest and genuine charities to which you may donate. God.
