QR Code Link to This Post The holidays are here! The best time to take photos on any day!

My name is Natalie, and I am based out of Miami.
I am a full-time graduate student who is reliable, ethical and professional.

With my Nikon D90, I can assist with solo, family, event, marketing, and much more.
I am also able to give you your photos on the spot upon request, or within the days time.
I frequently put together nice videos for clients as well.

My rates are reasonable. Ask about scheduling a shoot with my new drone camera!

Thank you, and I look forward to hearing from you.
Happy holidays!
