Location Indiana https://www.genclassifieds.com/x-737398-z

QR Code Link to This Post We will be vending at the Noblesville reptile show this weekend.

We will have hornworms \$8 per cup or 2 for \$15

SPECIAL!!!! on eyelash size hornworms buy 4 cups for \$24.

Hornworms grow fast at 85F they can go from egg to 4inches in 14days. At 75F it will take around 28days. Once they get over an inch long you can slow the grow by placing them at 55F to 60F.

We will have a selection of Normal female ball python juveniles starting at \$30

Kenyan Sand boa babies starting at \$35 and up

Corn snake babies starting at \$20 and up

We will have a selection of holdback quality crested geckos that come with 2oz of pangea with insects.

CAPTIVE BRED frilled dragons

And plenty more along with some supplies such as heat mats and pangea foods and cricket food.

We will also have some Name Brand Herb seed packets left over from the 2016 growing season 4/\$1 if you are planning on having an indoor window herb box this winter. Most were \$2-3 each at the beginning of the.
