I have looked after newborns, toddlers, school aged children also children with special needs.
I am extremely patient, caring and compassionate with children, and have experienced all types of personalities, little or big as they come!
I am eager to meet you and your children and be a perfect fit for both me and the children involved, I have always enjoyed my work as a babysitter and find it extremely rewarding watching the children I care for learn and grow.
I know as a parent, the most important thing is to find someone trustworthy and responsible to look after your most precious possessions.
Please feel free to ask me anything about my childcare experiences, I have many references on Request.
I wish you all the best in finding the right childcare provider!
Sincerely Yours, Ronna
