QR Code Link to This Post Hi my name is Marissa. I am a single individual cleaning Homes, Condos, Apartments and Offices throughout the North Shore and Boston. I can get a helper to make the job go quicker depending on your needs.

-All jobs are different and would need to speak with you to give you an accurate quote.

-You can schedule weekly, biweekly or one time only.

-I am licensed, insured and I have references

I make my own green cleaning products or you can use whatever product you are comfortable with with to get the job done. If you have a vacuum, broom, dust pan and toilet scrubber in your household that will be great.

My duties as a residential cleaner consist of the following:

Doing laundry
