QR Code Link to This Post Please note, this is a serious ad. If you want to be in a great scenic setting on a lake and are the quiet type and like working outdoors when weather cooperates maybe this is for you: Here's the deal: you get rent free in exchange for 8 hours work a week...flexible hours...or \$350 a month, no work. You get housing, your own big room that is unfinished but could be made cozy easily---? has nice futon with thick mattress pad, lamps, wood storage cubbies, dresser, couch and recliner. Shared kitchen and bath are upstairs, modern but rustic. Outdoors are hiking trails and tons of scenery. Best if you are non smoker, no drugs, social drinker at best, quiet non partier. Work involves planting plants outside, (with winter coming that stops soon,) transplanting small plants inside, maintaining trail system in forest---all in a setting that feels more like a park than a nursery; possibly helping in thinning woods, some brush hauling --easy stuff. Property is truly gorgeous with lake, stream, cliffs, beaver ponds and waterfall. This is a place you can truly get away to with a wilderness feel yet only 10 minutes to Bath---on a big piece of land. If you love nature, place with a wilderness feel, (yet not remote) and all that ...you might love this spot.

House is small, rustic but nice, there is shared kitchen, bath and living room upstairs with great views. Downstairs would be your bedroom area, a big space to yourself--about 20 by 20 (my bedroom is upstairs, so there is privacy ) There is also a Woodstove you could use in your area. This has to be right fit. ie I have to get along with you and vice versa. Maybe come for part of a day and see if it's a fit. Best if you have some income, other job or money saved for your own food etc. There are two friendly cats in the house that stay on upper floor. I have high speed internet. \$18 a month

This is probably best for a guy 20-40,--you dont have to be strong. It could also lead to real job at my nursery in the future--(if desired)....all in a setting that feels more like a park than a nursery.

Tell me about your self...please include your phone or email so I can get back to you. You can provide a few references after we.
