Value engineering: Is a systematic method to improve the "value" of goods or products and services by using an examination of function. Value, as defined, is the ratio of function to cost. Value can therefore be increased by either improving the function or reducing the cost.

FIRE * SMOKE * WATER * HAIL* STRUCTURE DAMAGE AND ALL BUILD & REMODEL JOBS

Completed Dallas Home Remodel A-Z video below

<https://www.youtube.com/watch?v=yVlcTAznjGE>

We have 20 years of proven experience as a General Contractor with specialty services in Residential, Insurance Claims Specialist, Inspections, Management, New Homes Room Additions.

FIRE * SMOKE * WATER * HAIL * STRUCTURE DAMAGE, to your property and would like to offer our specialized construction services to you in order for a quick recovery. In a time where you need a quick estimate, top quality work and fast execution time, we are at your disposal.

 <p>We just finished building new home in Highland Village Lake Dallas. We are offering fire, smoke, flood or water damage reconstruction. We also have the ability to help with environmental issues such as mold, asbestos and radon and spray foam insulation as needed as well as all types of INSURANCE.</p> <p>Let us help you restore your property with little or no out of pocket expenses!</p> <p>You are not required to use the Preferred Service providers selected by your insurance carrier and may be best served getting a company that is independently aligned for the policy holder. We often come in below what the national insurance estimate program pays out.</p> <p>Our team has a track record of handling over 500 property loss claims related to: Water, Fire & Wind Storms. We have 20 years experience working with Insurance</p> <p>DFW WATER FIRE WIND INSURANCE CLAIMS (DFW) hide this posting unhide https://www.genclassifieds.com/x-741345-z</p>	 <p>We just finished building new home in Highland Village Lake Dallas.
