QR Code Link to This Post Hey my Name is Kevin, I am 23 years old.

I am looking to move in on the first. I have a stable job. I am a rugby player and on the board of directors for the non for profit club. Very friendly and clean. I have never been in any kind of trouble. I have a flawless renter history. I've paid everything on time. I am desperate and low on money and looking for something ASAP. I've fallen on some hard time the past few months and really trying to stay positive.

I'm a fun, outgoing, easy going and caring individual. I'm respectful. I love to cook for all my friends and room mates. Feeding people is one of my favorite things to do. I find cleaning and chores enjoyable. I'm pet friendly and don't mind watching pets for roommates.

A series of unfortunate events put me on this position butt head is up and I have faith.

Please contact me with serious inquiries I am really hoping someone out there could help.
