QR Code Link to This Post Fully furnished nice bedroom w/ closet and own private rec room / living area ! ALL utilities are covered by your \$600 rent ea month.

Yes my ad has very specific exclusions as I am looking for a quality roomie vs just putting a body into a room and getting rent \$

Great opportunity for a female student or any girl looking for a very nice safe and completely furnished place to live.

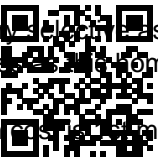

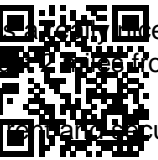

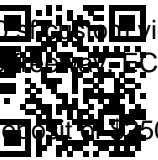

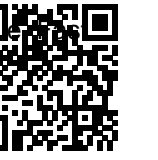

Excellent spacious and private rental in my home. Bedroom is ready to move in with nice comfy bed linens and own closet and nice furnishings and you can see the pics your private rec room / living room is completely furnished also !!

Private bedroom is downstairs - daylight basement so is open with windows / private entrance - own TV room and storage as well as private bathroom.

Females only as there is a young lady in the other bedroom downstairs - so I am looking for a girl near her age so is a good fit and you both get along / common interests.

Absolutely no smoking no pets no kids no drugs no couples.

You must have a job / steady income to pay \$600 ea month (all utils included) This home has AC / heat cable wifi internet ALL included - and I buy all the laundry / dish detergent so no worries there. All the movie channels are on the TV downstairs HBO - full cable Xfinity
