1 Bedroom, private bath and kitchen, Living room with fireplace, lots of storage in a shared housing environment. Shared washer/dryer and entry, has lockable entrance to the basement. I am looking for someone interested in renting the basement. It has large windows, high ceiling, lots of light, and is entirely dry (doesn't really feel like a basement). Nice residential area on a quiet street; on street parking available. Large backyard with lots of fruit trees and flowers, plenty of room for a vegetable garden.

The house is close to lots, I-90, I-405, Microsoft, Boeing, T-Mobile. Easy walk to KC Library, Crossroads Mall, Lake Hills Shopping Center and Semena Swim Club. We are near several parks and on major bus lines.

Available January. References, first and last, and acceptable credit check to move in. No smoking and no pets. Showing by appointment only. Email, text, or call.

The apartment is furnished, however there are things I can leave in the place if desired (Tables, dresser, coffee table, etc).

Thanks and Happy!!
