We are a WHITETAIL INSTITUTE and EAGLE SEED Dealer.
 Whitetail Institute and EAGLE SEED the number one food plot planting in the world!
 Why? Because Whitetail Institute and EAGLE SEED the only genetically designed Seed for Whitetail Deer, Turkey and other Wildlife. Whitetail Institute and EAGLE SEED has an extremely high protein content -- critical for antler, muscle and bone growth and thrives in extreme cold as well as warm, dry climates. Their R&D team has continually improved Whitetail Institute and EAGLR SEED over the years with new and improved varieties. Deer, Turkey and other Wildlife love the taste and will travel long distances to feed on Whitetail Institute and EAGLE SEED Products. If you want to attract more deer and wildlife to your property, hold them there and make sure they receive optimal nutrition for good health and antler growth, plant Whitetail Institute and EAGLE SEED with protein .Helps does deliver heavier, healthier fawns and produce more milk. EXTREMELY Cold and Heat tolerant .Drought and disease resistant. Coated with RainBondTM for enhanced seedling survivability. Can Last up to 5 years from a single planting.
