QR Code Link to This Post I specialize in customization, performance, and upgrades of domestic cars and trucks, both gas and diesel. I've been In the performance industry for the last 8 years, I have a huge range of skills, and my projects (and I) can be seen on TV every Sunday morning.

I'm just looking for some projects to keep busy after work and on the weekends.

Wiring  
Engine swaps  
Suspension  
EFI conversions  
Turbo and supercharger installation  
Fabrication  
And Much...
