QR Code Link to This Post The h vac stands for heating ventilation and air conditioning .

This means that we do all types of hvac work.

Recently went to a house in lid hickory , customer bought a house smelled gas in the kitschy called atoms they cut them OFF , I found a total of 11 leaks on the natural gas lines under the house .

The gas is back on now . The leaks all fixed , some had probably been leaking from the very first day.

Bath room Exhaust fans ,

Many older ones don't have them ,

We can install them in a retro fit application.

Range Hood Exhaust , I see many homes people are choosing to do away with the older " over the range microwave and have custom hoods installed .

And have done many in my area.

Many are converting from elec. ranges to gas and need real venting for that new Gas range.

We do this also .

Got a roof that needs venting ? Venting your roof prevents short roof life . Google it

We do elec fan venting and typical ridge over venting. .

Gas line modifications ? Adding that new gas grille or converting from tea

Wood to gas logs?

We can do this.

Need that new 14 Seer Goodman split heat pump or gas! W

We have whole sale a/c units split systems , package units , 90+ furnaces

We got

just pay for the units at whole sale invoice

and a flip book for call
