QR Code Link to This Post I'm a 31 year old male looking for a softball team, whether it be a bar league or rec league or whatever, that needs a player to join. I'm not looking to be an alternate, just a regular player.

I'm not in the most fit condition but I do love the game and am reliable so I will show up and give it my best effort every game. I have the ability to travel anywhere needed in the greater Milwaukee area and have few things that may come up as scheduling conflicts.

Send me an email and we can discuss details further..
