QR Code Link to This Post I AM ONLY LOOKING FOR PAID WORK! 'Not interested in forming or joining any bands - Unless you happen to be WEALTHY and have MAJOR resources behind you! 'Just being honest and straight-forward. ;)

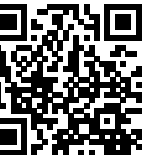

I have written lyrics professionally for musicians and bands in the United States and abroad. I have contributed songs for concept/speculative projects for DISNEY and other entertainment entities. I am an intelligent, seasoned writer with over thirty (30) years experience.

I can write any style: Rock, Country, Metal, Blues, Folk, Reggae, Pop, Jazz, Easy Listening, Rap, Funk, etc.

My RATES are flexible. I work as an independent contractor. I use Non-Disclosure Agreements (NDAs) for your protection.

Serious players only! PAID LYRICIST WORK ONLY!

Best,
