QR Code Link to This Post We are seeking someone who can prepare mainly Vegetarian, Pescatarian meals, at least 4 nights a week. Also do light house keeping and laundry. Must be clean, non smoker, well groomed, and already know how to cook and clean. Not a training position. Pay will depend on what you want to do. We are a long time married couple, with one teenage daughter still at home. We live directly on the lake. Long term is preferred. We can also give you a job if desired, as we own a busy restaurant. Prefer a woman, but if you're good, it is not a deal breaker. Questions? Just ask.
