QR Code Link to This Post Adorable, female and male Golden RETRIEVER We currently have 2 Golden RETRIEVER who are in need of a new loving home! Our family is growing and we have a new business located in our home that is expanding.

They are super sweet and great pets, but we don't feel like we are able to provide them with the love and attention they need at this time. One is 12 weeks old and the other is 11 weeks old.

Both are up to date on all shots and vaccines. They LOVE being with people.

They are great with other dogs, cats and children of all ages! We will only re-home to a person or family who we think will be a great fit

Found this little girl the other day in a parking lot, she is really sweet and great with my kids, just takes a while for her to come around. I am not sure she has ever been an lovable dog with cats

. Took her to the vet and other than being extremely skinny(getting fatter now) she is in really good health. She is about 12 weeks old, and now has her rabies shot and has a tag. Looking for a forever home for her now, she is currently inside, I do not have the time for her, she needs a home ASAP. Small re-homing fee applies.

Faith - sweet, loving and adorable, female Golden RETRIEVER approx 2-3mos.12 weeks old

, no known health issues, mostly brown. Sweet and affectionate, loves warm beds and sleeping in sunny spots.

Pirate - somewhat shy, approx 11 weeks old female brown tabby, one eye darker than the other due to causes unknown before we rescued her from the streets. No apparent visual impairment. Sweet once she gets to know you and very playful!

Tempest - Golden RETRIEVER female who needs more love than she can get in a shelter situation. She loves to be pet and caressed and was a terrific mom to 11 kittens! Approximately 11 weeks old. Loves to chase toys!

Sylvester - b/w tuxedo perched on cat tree in photo, slightly skittish but ve12 weeksry sweet once he gets to know you. Loves to play and get bellys. Approx old. - mostly brown accents, very sweet and affectionate, approx 12 weeks yrs.
