I have been watching kids for almost 10+ years now and have experience with kids of all ages from 6 weeks to 12 years. I'm available Monday to Friday with flexible hours. Early morning drop offs and late night pick up for working parents are welcome. \$30/day no late charges. Sibling discount available. I am available to start as early as you need. Please feel free to email to set up a visit or ask any question you have I'll be glad to answer. Please don't forget to include your contact number so I would know you are not a scam. Thank you and I look forward to hear from.
