Hello, I'm Sequoia!

I am a year old and looking for someone to be my friend!

I'm told that I'm the best "dog" in the world whatever a "dog" is! I'm also told I'm a chihuahua!

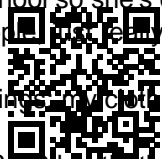

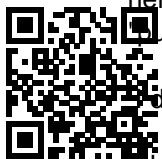

Last time I checked I weighed 4.3 pounds and that I'm a healthy little girl and get along with everyone!

Although I'd rather not be placed in with one of those big dogs since I'm the size of a stuffed animal, same goes for smaller hyper younger children, they're a bit too rough! Remember, I said I was small!

I am extremely intelligent! I learn quickly and get bored easily, I don't chew or anything and I use the restroom outside or on the potty pads. But I need someone to hang out with, I'm not one of those dogs who enjoys being left alone all day, I'm smart, I get lonely! That's the reason I'm looking for a home! My friend works all the time and her kid just started high school so she's off hanging out with friends all day. When they finally do get home I greet them happily and let them pet me and call me things like "puppy"! I don't mind people who are busy.

I do come with my belongings, including, potty pads, I'm fed, I'm a good boy, toys, water, bath towels, carrier, brush, wash, and a dog house!

I have a rehoming fee of \$400 but that's negotiable I just really need a good home! If you think you can provide one and can afford a spoiled baby like me -the friends feel bad and buy me lots of stuff- please call I have my friends translate unless of course, you can speak doggie! I look forward to hearing from you!
