UberTech offers on-site, pickup and remote computer repair services.

All for a low flat rate of \$50 per service - no hourly rates or outrageous prices.
 Each additional service is offered at a discounted rate PER PC/device.
 All services carry a money-back guarantee!

UberTech is a USA based company; no out-sourced callcenters or foreign support techs here!
 We are located in Lenexa, KS and have been building/repairing PCs for over 10 years.

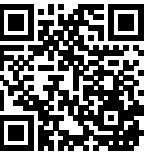

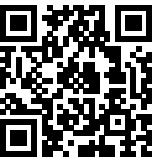

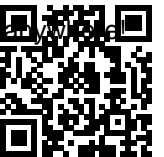

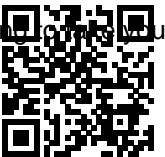

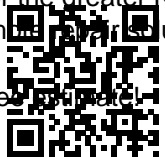

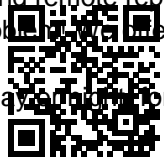

We offer on-site, pickup and remote repair for the greater Kansas City area.

Not in the area? No problem! We offer remote repair solutions for the most important part of your PC - the data.

Contact UberTech 24/7, day or night, for a free quote!

Services Include:

- PC Cleanup and Tuneup includes virus removal and system optimizations
- Data Recovery: recover lost files, even from damaged hard drives
- Custom-Built Desktop PCs: pick the hardware you want, or the price range and save big
