QR Code Link to This Post I am an old guitar player who enjoys playing many kinds of music but prefer blues. I am a decent player without an attitude and hope to join up with some like minded players. Can help with vocals but that is not my primary focus since I have a limited range.

Looking for a group that has most of the musicians but needs a guitar player to complete the group.

I live just south of Indy and prefer not to travel too far for practice/jams. I play primarily for fun instead of money so not really looking for a group wanting steady gigs though I am open to occasional gigs once the music is.
