QR Code Link to This Post Providing a clean environment is essential to the health of you and your family. I'm a very detailed person in many aspects of my life ESPECIALLY cleaning. I provide services such as basic cleaning, deep cleaning, organizing and decluttering. I also dont mind odds and ends jobs, running errands, grocery shopping, making appointments etc. I communicate well with others so there's no misunderstandings with meeting your needs. I'm available asap for an interview and I am open to a back ground check. Over 10 years experience. 18\$ an hour. Please contact me via email with your needs and days of the week in which you are seeking help.

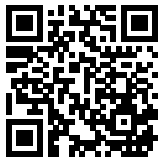

Look forward to hearing from you!
