QR Code Link to This Post im a marine veteran who has fallen on hard times. i just started a new job and am in need of emergency money for expenses until i can get on a pay schedule. craigslist is my last ditch effort as i have tried everywhere else and hit nothing but dead ends. i would appreciate anything anyone could give. its also the last place i would think to come to for this problem. i would feel bad if this was a grant which is why whoever can help ill be glad to pay you back. not asking for a huge amount but like i said any amount will help. god i feel like a homeless person rattling a tin cup but i dont know what else to do. ill be more than happy to provide proof im a veteran as well as sit and meet with you and answer any questions you may have. serious inquiries only
