QR Code Link to This Post Hey there 4 (and 5) string super friends, we are a new band in St Charles trying to get some awesome shit going and do something fun and worthwhile with music involved, behind the thin veil of a cover band (and maybe some originals thrown in for some selfish fun). we can be serious, or not, or maybe somewhere in between if that's your type of gig. Age-wise, 21 and up is ideal, since, well, it is a bar band. Haha. Our ages are 23 (me; the drummer), 28 (guitarded) and older dude that looks stupid young (singer), so I guess 21 to 35 or so would be ideal, but we don't really mind, as long as you can adequately play. The music we have involved ourselves with for this little project is some audioslave, Jimmy eat world, Ozzy, 311, rhcp, hair band stuff, some newer metal, and typical bar songs (ie, Jessie's girl). We practice out in St. Charles, so If this sounds like something you'd want to involve your fingers and frets with, give me a holler, we'd love to!
