QR Code Link to This Post Beautiful and sweet THREE month old Female Capuchin Monkeys. Has one blue eye (this is not uncommon with Capuchin Monkeys and his previous owners gave him the name Blue. Great with other caps, loves to play. Needs a home where new owners can play and take on regular walks. Unknown with cats. All of this i'm asking, for just a re homing fee of 250 dollars. per each Capuchin Monkeys.

white is the male and tan is the female they don't have any spotted marks on their bodies . They have been raised in the house and used to other cats and small dogs. They have had their primary vaccinations . little raised trained and are now ready to go now.. brought up in my home,used to other cats and dogs very....
