QR Code Link to This Post Life Drawing is a program that allows students the opportunity to paint/draw the human form over the course of 6 sessions. I am one of 3 instructors that teach the class. We usually have 2-3 models, but two of our usual models are unavailable for our upcoming sessions. We currently have 1 male model, but we are looking for 2 female models. The sessions are 2 hours long, we break the class into three 30 minute sessions with breaks in-between. Models are expected to pose nude for 30 minutes at a time. We pay \$200 per session, and there are 6 sessions for this coming class. (Sessions start at the end of the month, Tuesday and Thursday nights from 7:30-9:30pm) We try to provide a variety of body types for the students to draw, so we ask applicants to submit a few photos to help us with the casting. (Full body nude, head/bust, and any relevant photos of pose modeling you may have done.) 18+ only. Thanks so much for your.
