QR Code Link to This Post I'm looking for a couple who would like to do online webcam. Fetish webcams make tons of money because nobody else does them. I would like to do a cuckold webcam where I would be the slave. I am only doing this for the fun, all money would go to you. Webcam couples easy make a couple hundred a day, and a niche fetish cuckold webcam would make a killing. I know first hand as I used to sell cuckold videos. We made 1,000-1500 a month. The good thing with webcam is its not recorded and you can make tons of money especially by doing cuckold videos because nobody else does them. If you can do a specific fetish that's where you can earn money. Send me your info if you are
