Casting 'Goldfish', a short film that is an absurd affirmation of life, friends.

and female independence, whirled together with emotions and drug-induced surrealisms.

Production states: "The project is a part of the 'We're Making a Film' Picture House and production company.

written and directed by its founder, Ksenia Kulakova. It's queer, it's surreal, and it has dance sequences.

so get involved! There are also some crew positions available so get in touch if you're interested.

Script provided upon request."
