QR Code Link to This Post Tired of hair all over your house or trying to cut or brush matts out of your cat? Why not try proper grooming? I will shave your cat in your home for \$60.00 (\$70.00 if the cat is severely matted) and alleviate the hassle of trying to do it yourself or dragging your cat to the vet or groomer and paying upwards of \$130.00. I charge \$70.00 for Mohawks and dinosaur cuts! I have lots of experience even with not so well tempered cats! I offer multiple cat discounts. For questions or to get your cat shaved please call ! Also if you don't want a lion cut and only want the matts clipped out I can do that also for lower rates! Will clip nails if requested for \$5.00.

**\*\*newly added service\*\***

I have added the valley to my route due to popular demand! I will not be able as flexible with timing there but will be out there Atleast one evening a week!
