QR Code Link to This Post The folks in the Tea Hustling G.E.D. G.O.P. are not fiscally intelligent enough to figure this one out on their own so I'll do it for them.

It's not complicated...

In the newest Reaganite inspired tax bill is for a bunch of Billionaires and Corporations

(Remember; the Republicans think corporations are people too [I do not]).

They will get tax cuts.

As a result, the US Deficit will increase dramatically as it did under Reagan, Bush, and bush.

The US Deficit is a TAX INCREASE for the rest of us, which conveniently for the Billionaire Bankers, includes our additional INTEREST PAYMENTS.

The Republiscam DeceptiCon "Tax Cuts" are simply another Reaganite Theft of middle class tax money into the pockets for the Socialist Billionaire welfare class!

Reds, enjoy paying for "Your" tax.
