QR Code Link to This Post Established family looking for a dog for Christmas! We are 3 adults and 4 kids (2 school age and 2 young children). Our home is busy but there is almost always an adult home and or animals are treated like family. We lost our dog in match 2017 and would really love to give a good dog a loving home for Christmas. We would like a dog that is potty trained (or close), good with kids, under 5 years old, and under 40lbs (as our lease dictates) Can pay a rehoming fee of \$200 or less.

As this is a Christmas gift I would love to meet the dog a few times to see how he/she is with the youngest child and pick up as close to 12/24 as possible, but I'll let that go for a great animal in need!

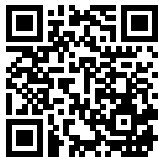

Email or text please. I don't answer phone calls.
