Beautiful Kiahuna Plantation Beachfront condominium resort in Sunny Poipu Beach, a vacation you will not forget. Enjoy 35 lush tropical acres situated on a gorgeous beach, which is great for sunning, swimming, surfing, boogie boarding, shelling or turtle and monk seal watching.(just to name a few activities)

In a couple of minutes you can be swimming in the ocean. After a swim in the ocean you can stroll the beach and try riding a few waves, or maybe just enjoy a good book and listen to the waves. Poipu Beach Park is very close to the condo and is very safe for children to swim or snorkel, according to the Travel Channel.

Kiahuna's grounds are spectacular. Take a stroll on the paths that weave around the resort. The Moir Gardens are the perfect example of why Kauai is 'the Garden Isle.' Within minutes you will walk through the aromatic orchid garden which has many different varieties of orchids. Close to the orchid garden is the cactus garden which has beautiful cacti from around the world as well as lily ponds complete with frogs on lily pads.
