QR Code Link to This Post We are looking for stunning, cute, fun models or just beautiful/pretty girls who want to shoot an adult webshoot intended for one of our sites. Fast, fun way to make money, paid same day and travel provided if needed. You must be at least 18 no exceptions.

We pay up to \$3,000 per shoot and minimum \$1,000 same day.

We are NOT looking for porn-stars. We are seeking natural beauties who have no experience shooting adult content. Preferably girls in or who look like they could still be in college.

We are the safest, most legit site on the web, so please do your research before you intend to shoot with anyone.

Feel free to ask any questions, but if you don't send your age and a photo that realistically shows what you look like - we can't respond. Send age and photo in first email please.

This is an adult webshoot please be clear before you submit, also - again, first time models only.

- serious responses only.
