QR Code Link to This Post Need some Christmas \$\$?? I'm looking to hire someone for few days this next week to help knock out some projects around our property.

Types of things I need done:

- *Clear some brush on a hillside
- *Move some restaurant equipment like fryers and freezers in my shop
- *Lay a boarder of mulch down my driveway
- *Mow about an acre of grass with a push mower
- *Make a couple trips to the dump using our farm truck
- *Clear garbage and debris from around property
- *Move a couple cords of wood from behind shop and split and stack by the house (will have gas splitter)

Will pay \$15 an hour and looking to get this stuff done ASAP. We are listing our property for sale and I'm running tight deadlines. However, this is probably close to 40 hours of work so it's a good chance to make \$500-\$600.

Thanks for your interest and please send me an email explaining why you'd be the best fit for this work.

-Chris
