I use Finale 2014 and had been using this software for over 12 years.

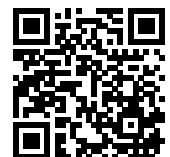

I can transcribe from audio track, YouTube video, or hand written (legible) score in to a clean edited layout score

For inquiries please send your project song, and what you would like the score to include piano, piano/bass, piano+voice, lyrics, dynamics, and when you need it for.

Usually I give a 7 day deadline but can do it faster depending on how busy I am rush orders are also available
