QR Code Link to This Post Hello,

We are open seven days a week.

We are very experienced at this, and have provided many letters.

Short notice, is usually OK.

This is good for court, or school volunteers.

We have had many court-ordered volunteers, or for college, over the last 7 years, and always make sure to provide a professional letter to volunteers.

This is considered fundraising, which is an acceptable duty.

If you want to hold a quick fundraiser event, car wash, rummage sale, etc., or if you have a way to donate, we are happy to answer any questions.

We would like to help fund our current programs, and it is you raising or donating, \$12, for each hour you need documentation.

The work is done on your own schedule and location.

We are a group of people who help people with difficult family problems and more.

We have had many court-ordered volunteers in Pierce, Snohomish, King County, and others, and we provide letters of documentation for each hour.

We prepare the letter carefully, and you receive it immediately.

It does not have to list the duties or it, just that you did community service.

Funds are used for services for the people in our area such as groceries, cleaning, driving, etc.

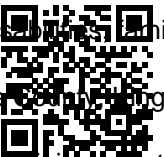

We will provide all information you want to know.
