QR Code Link to This Post The Campbellsport School District is giving away a 1674 sq. f. house. The home is two stories. It has eight rooms, including four bedrooms and one bath. There is wood trim throughout the house. The building is in need of repairs. A coal stove had been converted to a gas furnace, but is in need of further updates. Attached to the house is a one-car garage. An optional two-car garage is also available, but is in a greater state of disrepair.
