QR Code Link to This Post We are searching for friendly and professional sales representatives who are confident to cold call professors and course instructors of educational institutions to sell screening licenses for an educational film (at cost \$450 - \$1,050 - depending on what supplementary material is requested.) The commission is 30% of your sales and is paid weekly once the client pays.

You will be assigned an alphabetical selection of a state (e.g. all educational institutions from A-G in the state of Alabama,) whereby we try to accommodate your preferences. The research of suitable courses and its instructors is a main part of this position - meaning the leads are not given. The calls have to be made during normal business hours but you are free to allocate your time within that.

What we need from you:

- Resume (all the personal info such as email/phone number can be taken out - it just helps us to make a first selection)
- as well as 3 references (can also be given after the interview.)

We are looking forward to hearing from.
