QR Code Link to This Post We have an opportunity for a part-time Account Sales Representative for our School and Daycare Photography program. Our company has re-invented the School Photography experience and we need an outgoing and energetic salesperson to help spread the word in your area. Work weekdays during school hours - make your own schedule. Work as much as you care to, making it a great second income opportunity or a second product line for those already selling to schools. This can also be perfect for Retired persons looking for extra income. Retired School Administrators are especially welcome.

Lucrative Commission (1099) basis with Entertainment and Gas allowance. Typical average commission paid for a school account acquisition range from \$400 up to \$1000. Training is provided, and there's little, if any overnight travel required. If interested, please return your contact information and / or resume using the link provided. Phone and personal interviews will be scheduled soon.

Have a Blessed Day!
