!!Nice boy and girl pups. They are well trained and eating dry and wet foods. 10 weeks old brother and sister pups, healthy and needs a new home. Our pups have free roam of the house, are not allowed outside and get the most love and time from all of us. You know that when they greet you when you come in even if they have already been fed. There are no young children in our home either. We also know that slow transition may be necessary, even though our pups are extremely docile. Either male or female each must find a home ASAP. One Male and female pups, 10 weeks old. Litter box trained, treated for fleas and spayed certificate included. Email me for more information if interested.....

Gracias tanto por Looking. Beautiful cachorros de bullies de pura raza de 10 semanas de edad disponibles. Tienen su primer conjunto de inyecciones y desparasitaciÃ³n. Caja de arena entrenada. Se aplica una tarifa de \$ 400 por reubicaciÃ³n y es negociable. Un cachorro macho y hembra, de 10 semanas de edad. Caja de arena entrenada, tratada para pulgas y certificado de esterilizaciÃ³n incluido. EnvÃame un correo electrÃ³nico para obtener mÃ¡s informaciÃ³n si estÃ¡...
