QR Code Link to This Post Whether your business needs working capital to get over a short-term loss, or funding to buy new equipment, Or take advantage of an opportunity for expansion or growth, I can help. If your business could use an extra \$50,000 to \$250,000 or more in funding in the next 1-2 days, I've got great news for you. Our funds are generally available in under a week, without the difficulties of a typical loan process. No more wasted trips to normal banks, only to apply and get rejected, or wait weeks or months for an answer. Our loan process is SIMPLE and QUICK, with up to a 95% approval rate, and requires no collateral or upfront costs.

You're approved within 24 Hrs if you qualify, and funded as quickly as 1-2 days after your approval.

Funding is simple, you'll need:

- 1-Page Simple Application
- 3 Months of Bank Statements
- 3 Months of Merchant Bank (if applicable)

Below is the number to our funding request form.
