QR Code Link to This Post Born October 15 are the cutest darn puppies ever. Mom is full blooded Great Dane and dad is full blooded Tibetan Mastiff. Mom has papers but I never registered her. Dad had papers but we didn't want to pay extra for them from the breeder. He will turn 2 Dec 28 and his breed does not hit full size until they are 3 to 4yrs of age. I put pics of mom and dad at the end. They will be ready for homes when they turn 8 wks. Born October 15th. They are fully on dry iams. They are wormed and will get wormed again but will need their first shots. Their is 8 puppies. I will hold until Christmas eve with a non refundable deposit. There is a rehoming fee of 375.THEY WILL BE BIG! So do your research. Raised inside around kids.Pictures posted are of now,of the day they were born and mom and dad. Last one is mom with dad when dad was still young pup. Please include phone number for me to reply. SERIOUS ENQUIRIES ONLY PLEASE.
