QR Code Link to This Post I have a male cat about 2 years of age searching for a forever home. I got him from a house that didnt take care of him well which led to me cutting some of his hair to get knots out. Very sweet loving cat. Just dont have time to give him the love he deserves.

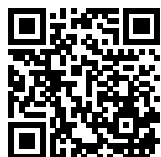

Comes with a litter box, a bag of food, toys, and catnip.

I would prefer to come check out your house and living situation to know hes going to a good home but i could make work with just.
