QR Code Link to This Post Male red heeler. He is 1 1/2 yrs old comes from working parents. The dad is blue the mom is red.

He doesn't know anything about herding except how to chase the goats back to thier pen. He is very smart and loving. He gets along great with chickens, ducks, cats, and horses.

He gets along well with our female dogs but not with our other male. Thats is why he needs to go.

There is a rehoming fee. Feel free to ask any questions!
