QR Code Link to This Post needing to find a new home for our husky pups Cody. is the white one. Oak found a home. They are too small huskies and we are expecting a new baby soon. We just are not able to give them the time they deserve. We hate to have to give them up but feel we need to do so sooner rather than later. They are sweet loving dogs, but need more people time. They have been outdoor dogs and need room to run. People have asked, I don't think they will do well indoors. All shots are up to date and they fixed and microchipped. \$ re-homing fee.call or text me now
