QR Code Link to This Post I'm a guitarist, looking for musicians to put a trio together
 Into Jazz,fusion,exploring sound and time, rock, some standards

I have great gear

i'm looking for a bassist, fretless and fretted, midi bass capabilities would be awesome

a drummer that can be soft as well as bombastic, and play tempo's from 25-300

I am very well studied, and always seeking to learn more and improve my craft, and i practice like a maniac, you should too
 please respond this ad with a bio and clips and or mp3's

thank you
