

If you're serious about learning to play the guitar or bass, and learning music theory, and develop a repertoire of music to play--then you owe it to yourself to try a few lessons with me

YOU WILL SEE TANGIBLE RESULTS IN THE FIRST HOUR AND LEARN NEW THINGS TO APPLY TO YOUR PLAYING

College, and 42 years of full time experience teaching students on all levels have equipped me with the tools to teach anyone to either start playing or help coach experienced and advanced players.

Whatever your goal is, personal enjoyment, playing for and with friends, sitting in somewhere to play in public, or play in or with a band, I can help you advance you're playing.

I can help you with any music and any technique.

Learn how to adjust your attacks just touch.

Learn how to develop to solo based on the vocal lines and chords instead of just playing cold blues scales

Work on Finger picking as well, learn to use all 5 fingers on your right hand. or use the pick and 3 fingers, with me you will use your pinky, or little finger, on both hands.

Work on picking and speed and most importantly touch and feel.

Learn to play in rhythm, with a metronome.

Feel free to call me for info and scheduling----

I am in a very progressive rock/jazz/classical band. I have worked and I am working on the 3 Guitar Concertos by Joaquin Rodrigo

1. Concierto De Aranjuez

2. Fantasia Para Un Gentilhombre

3. Concierto Para Un Fiesta

And several other classical guitar pieces considered to be advanced.

I also Play several pieces by Chick Corea Including: Spain, Senior Mouse and many others.

I also play several pieces by Weather Report like Black Market and A Remark You Made and Gibraltar.

I also play tons of jazz standards, and tons of rock and roll and Blues tunes.

When it comes to technique I play 16th notes with a subdividing metronome up to 300 BPM, that's 1200 notes a minute.
