QR Code Link to This Post I have a Male Purebred Husky that I need to re-home. He is NOT papered. He IS neutered. He is 3 yrs old. His name is Steele (from the movie Balto) and he is currently 3 years old. He is UTD on all his vaccines (rabies is 3 yr due Dec. 2020). He is an awesome dog and my main reason for his rehoming is that I really just don't have the time anymore for a larger dog. Steele gets along great with kids of all ages (I had him around my baby), other dogs, cats and really anything. He is pretty chill for a husky. I would say he has moderate energy versus most huskies that are very high energy. He loves being in the house and also loves being outside for part of the day. He is house trained and will go to the door to potty he is also crate trained. This dog sheds, ALL huskies shed.

PLEASE know about this breed and prices prior to contacting me. His rehoming fee is \$500 FIRM.

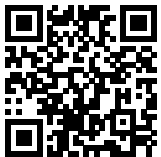

He will come with his crate, treats, toys, leash, harness, collar, food and brushes as well as flea and tick control.

\*\*He is registered with the state as well as microchipped. I will provide ALL of his paperwork and information to change him over to you.

PLEASE ONLY contact me if YOU want to adopt Steele and all his belongings for the \$500 FIRM listed re homing fee and can pick him up in Tempe. Thank You! I WILL NOT HOLD. Please be prepared to have a dog BEFORE contacting me and only contact me if this dog is for YOU, not someone else. THANK!
