QR Code Link to This Post I'm a strong reliable hard working 28 year old man looking for some extra side work to fill up my days off and weekends. I am mainly setup for plumbing work. I have worked for a plumbing company for 9 years with a journeyman license if there is any plumbing issues your having such as water heaters, sewer/septic problems, clogged drains, waterline leaks, sump pumps. There isn't much I can't do. Moving stuff, painting, cleaning, cutting grass, shoveling snow, cleaning gutters, etc. I also am experienced in running gas lines, insulation, carpentry, landscaping, basic electrical installation, roofing, junk removal, remodeling, concrete work, etc. If there is something you need other than what I listed just give me a call and ill let you know if its a possibility, no job too big or too small! Please call me on my cell phone at your convenience, I look forward to assisting you in whatever your needs might be.

Thanks,
