QR Code Link to This Post I am a disabled landlord with two rental properties here in Kona. My handicap has made it tough for me to garden on my own... So I am looking for an able-bodied hard working helper to assist me and do gardening together. Work duties will include:

- pulling and spraying weeds
- using the leaf blower to collect leaves
- trimming plants and trees
- loading greenwaste into landlord truck
- doing greenwaste haul with landlord
- cleaning storage or trash around properties

Work will be 8am-12pm once a week (normally Monday or Tuesday) 2 or 3 times a month. I am willing to pay \$48 for 4 hours of your time. The job will be perfect if you are free in the morning and want to earn some extra cash. I'm hoping to find a hardworking helper to help me long term. Please reply to this post if interested.
